

Role: Tax Consultant
Department: US Tax Department
Vacancy Location: London
Contract Type: Full Time

Your Opportunity and Role

Rawlinson & Hunter LLP ("R&H") is recruiting for a Tax Consultant in the Private Client Tax Department.

The Private Client Tax department provides a range of services including; UK/US tax compliance for both UK/US and non-UK/US domiciliaries, UK/US and international tax planning and advisory services to include: advice on tax efficient wealth structures; personal offshore administration; employment taxation structures; property ownership (both in the UK and overseas); offshore trust and company administration; reviewing the tax implications of residence and domicile laws; assisting with litigation support advising on the use of trusts; the mitigation of inheritance and capital gains taxes; the use of structured relief (for example EIS and VCTs); business succession and exit planning; providing the advice to sports people and entertainers; dealing with simple and highly complex tax investigations and enquiries; advising in relation to charitable giving, to a wide range of clients. The clients are of a quality and diversity that you would expect from an international practice based in central London.

As a Tax Consultant to work in the US Tax Department, the key elements of the role are:

- Personal tax compliance for High Net Worth Individuals
- Provision of tax advice to both compliance and non-compliance clients on a variety of different issues.

The day to day work will encompass a wide range of tax and accounting skills, including:

- Preparation of tax returns for UK/US domiciled and non—UK/US-domiciled high net worth individuals
- Preparation of specialist computations, for example tax pool computation for offshore trusts.
- Providing advice to UK/US domiciled and non-UK/US-domiciled individuals on a wide range of issues such as those set out above.
- Dealing with clients and third parties internationally in an efficient and effective manner.

Requirements

The main criteria for any candidate applying for this position is a combination of excellent communication skills and sound technical knowledge. The candidate will be able to demonstrate that they have worked in an environment where it is necessary to deliver accurate information on a timely basis.

The successful candidate will also be able to demonstrate the following skills, experience and attributes:

- Enrolled agent qualification and excellent technical skills
- Good communication and inter-personal skills
- Ability to work under pressure and in a deadline environment
- Excellent IT skills and receptive to technology changes

We are an equal opportunities employer and pride ourselves on the increasing diversity of our workforce. We believe in the best person for the job.
